ELECTRONIC PARTICIPATION IN THE AGM

As a consequence of the risks and impact of the COVID-19 pandemic and the potential for associated restrictions, and regardless of whether such restrictions are relaxed before the AGM, the AGM will only be accessible through electronic participation as permitted by the JSE Limited and in terms of the provisions of the Companies Act and the company's memorandum of incorporation.

Dematerialised shareholders other than "own name" registrations who wish to participate in and/or vote at the AGM, should request the necessary letter of representation from their Central Security Depository Participant ("CSDP")/broker and submit a copy thereof to Computershare at proxy@computershare.co.za as soon as possible but, for administrative purposes, not later than 10:00 on Monday, 16 May 2022, in order to obtain log in details. On registration for voting, a voting paper will be issued by Computershare for voting electronically at the AGM.

The company does not accept responsibility, and will not be held liable, for any action of, or omission by, any CSDP or broker including, without limitation, any failures on the part of the CSDP or broker to notify any shareholder holding shares in dematerialised form of the AGM convened in terms of the notice.

BUSINESS OF THE MEETING

Each of the ordinary and special resolutions set out below may be proposed and passed, with or without modification or amendment, at the AGM or at any postponement or adjournment thereof.

The purpose of the AGM is for the following business to be transacted and for the following ordinary and special resolutions to be proposed:

1. To present and consider the audited financial statements, the directors' report and the audit committee report of the company and the Trencor group for the year ended 31 December 2021.

In terms of the Companies Act, the audited financial statements will be presented to the shareholders together with the directors' report and the audit committee report. The audited financial statements, the directors' report and the audit committee report of the company and its subsidiaries, are set out on pages 13 to 45 of the integrated annual report of which this notice of AGM forms part ("the integrated annual report").

2. In terms of the company's memorandum of incorporation David Nurek and Ric Sieni retire by rotation at the AGM but, being eligible, offer themselves for re-election.

Brief résumés of the directors of the company are presented on page 48 of the integrated annual report.

Accordingly, shareholders are requested to consider and, if deemed fit, to re-elect the directors named above by way of passing the ordinary resolutions set out below:

Ordinary resolution number 1.1

"Resolved that David Nurek is elected as a director of the company."

Ordinary resolution number 1.2

"Resolved that Ric Sieni is elected as a director of the company."

Explanatory note:

The board recommends the election of David Nurek and Ric Sieni as directors of the company. The election of each director who retires by rotation and makes himself available for re-election is required at the company's AGM.

The minimum percentage of votes required for these resolutions to be adopted is 50% plus one of the votes cast on the resolution.

3. To table the remuneration policy and implementation report of the company (as set out on pages 6 to 8 of the integrated annual report) for consideration and submit same for separate non-binding advisory votes by the shareholders.

Advisory vote 1:

"Resolved that the remuneration policy of the company, as set out on pages 6 to 8 of the integrated annual report of which this notice of AGM forms part, is endorsed through a non-binding advisory vote."

Advisory vote 2:

“Resolved that the remuneration implementation report of the company, as set out on page 8 of the integrated annual report of which this notice of AGM forms part, is endorsed through a non-binding advisory vote.”

Explanatory note:

In terms of the King IV principles and the Listings Requirements of the JSE Limited, the company’s remuneration policy and the implementation report should be tabled to the shareholders of the company for separate non-binding advisory votes at the annual general meeting. Accordingly, the shareholders are requested to endorse the company’s remuneration policy and the implementation report by way of separate non-binding advisory votes in the same manner as an ordinary resolution.

In the event that either the policy or implementation report or both are voted against by 25% or more of the voting rights exercised then a shareholder engagement process will be undertaken to ascertain the reasons for the dissenting votes. All legitimate and reasonable objections and concerns will be appropriately addressed and full disclosure of the process followed will be included in the following year’s remuneration report.

As this is not a matter that is required to be resolved or approved by shareholders, no minimum voting threshold is required. Nevertheless, to signify endorsement, the minimum percentage of votes required in favour of the remuneration policy is 50% plus one of the votes cast on the resolution.

4. To appoint KPMG Inc. as independent auditor of the company for the ensuing year.

Ordinary resolution number 2:

“Resolved that KPMG Inc. is appointed as the auditor of the company for the ensuing year.”

Explanatory note:

In compliance with section 90(1) of the Companies Act, a public company must each year at its annual general meeting appoint an auditor.

Note that the audit committee and the board recommend the appointment of KPMG Inc. as auditor of the company. Section 94(9) of the Companies Act entitles a company to appoint an auditor at its annual general meeting, other than one nominated by the audit committee, but if such an auditor is appointed, the appointment is valid only if the audit committee is satisfied that the proposed auditor is independent of the company.

The minimum percentage of votes required for this resolution to be adopted is 50% plus one of the votes cast on the resolution.

5. To elect an audit committee to conduct the duties and responsibilities as outlined in section 94(7) of the Companies Act.

Ordinary resolution number 3.1:

“Resolved that David Nurek is elected as a member of the audit committee of the company, subject to his re-election as a director of the company in terms of ordinary resolution number 1.1.”

Ordinary resolution number 3.2:

“Resolved that Eddy Oblowitz is elected as a member of the audit committee of the company.”

Ordinary resolution number 3.3:

“Resolved that Roddy Sparks is elected as a member of the audit committee of the company.”

Explanatory note:

In terms of the Companies Act, the audit committee is not a committee of the board but a committee elected by the shareholders at each AGM.

Section 94(2) of the Companies Act requires a public company, at each AGM, to elect an audit committee.

Section 94(4)(a) of the Companies Act requires, among other things, that each member of the audit committee must be a director of the company. Brief résumés of these directors are presented on page 48 of the integrated annual report. Each of the proposed nominees is an independent non-executive director of the company.

The minimum percentage of votes required for these resolutions to be adopted is 50% plus one of the votes cast on the resolution.

6. To provide financial assistance to related and/or inter-related companies.

Special resolution number 1:

“Resolved that in terms of and subject to the provisions of section 45 of the Companies Act, the shareholders of the company hereby approve of, as a general approval, the company providing (subject to the requirements of the company’s memorandum of incorporation, the Companies Act and the Listings Requirements of the JSE Limited from time to time), at any time and from time to time, during the period of two years commencing on the date of passing of this special resolution, any direct or indirect financial assistance contemplated in the Companies Act to any one or more related and/or inter-related companies or corporations of the company on such terms and conditions as the board of directors of the company, or any one or more persons authorised by the board of directors of the company from time to time for such purpose, deems fit.”

Explanatory note:

The reason for special resolution number 1 is to obtain approval from the shareholders for the company to provide financial assistance, should the need arise, in accordance with the provisions of section 45 of the Companies Act. The effect of special resolution number 1 is that the company will have

the necessary authority to provide such financial assistance to any one or more related and/or inter-related companies or corporations of the company as contemplated in special resolution number 1 as and when required to do so. The board of the company undertakes that, in so far as the Companies Act requires, it will not adopt a resolution to authorise such financial assistance, unless the directors are satisfied that (i) immediately after providing such financial assistance, the company will satisfy the solvency and liquidity test as referred to in section 45(3)(b)(i) of the Companies Act, and that (ii) the terms under which such financial assistance is to be given are fair and reasonable to the company as required by section 45(3)(b)(ii) of the Companies Act. The proposed resolution does not authorise the provision of financial assistance to any director or executive of the company.

The minimum percentage of votes required for this resolution to be adopted is 75% of the votes cast on the resolution.

7. To resolve as a special resolution that the non-executive directors' annual remuneration, in their capacity only as directors of the company, from 1 July 2022 be approved.

Special resolution number 2:

"Resolved that the non-executive directors' annual remuneration, in their capacities only as directors of the company, from 1 July 2022 remains unchanged from that paid in respect of the prior two years and be paid in accordance with the following, plus such amount of Value-Added Tax ("VAT") as may be attributable thereto:

	Rand
For services as:	
Basic remuneration as a member of the board and its committees (other than the audit/risk committee)	300 000
In addition:	
Chairman of the board	430 000
Chairman of the audit/risk committee	70 000
Member of the audit/risk committee	50 000
Chairman of the remuneration committee	25 000
Chairman of the social and ethics committee	25 000"

Explanatory note:

In terms of sections 66(8) and (9) of the Companies Act, remuneration may only be paid to directors for their service as directors in accordance with a special resolution approved by the shareholders within the previous two years.

It is noted that the remuneration payable to non-executive directors in their capacities as such and for their services as directors, as set out in the above special resolution, reflects no change from the prior year.

The minimum percentage of votes required for this resolution to be adopted is 75% of the votes cast on the resolution.

8. To consider and, if deemed fit, to pass, with or without modification, the following special resolution:

Special resolution number 3:

"Resolved that the company hereby approves, as a general approval contemplated in section 48 of the Companies Act, the acquisition by the company or any of its subsidiaries from time to time of the issued shares of the company, upon such terms and conditions and in such amounts as the directors of the company may from time to time determine, but subject to the memorandum of incorporation of the company, the provisions of the Companies Act and the Listings Requirements of the JSE Limited ("JSE Listings Requirements") as presently constituted and which may be amended from time to time, and provided that:

- any such acquisition of shares shall be effected through the order book operated by the JSE trading system and done without any prior understanding or arrangement between the company and the counterparty (reported trades are prohibited);
- any such repurchase of shares is authorised by the company's memorandum of incorporation;
- at any point in time, the company may only appoint one agent to effect any repurchase(s) on its behalf;
- this general authority shall only be valid until the company's next annual general meeting, provided that it shall not extend beyond fifteen months from the date of passing of this special resolution;
- the board of directors pass a resolution authorising the repurchase, confirming that the company passes the solvency and liquidity test and that at the time that the test is done there are no material changes to the financial position of the company;
- an announcement on the Stock Exchange News Service containing full details of the acquisitions will be published as soon as the company and/or its subsidiaries has/have acquired shares constituting, on a cumulative basis, 3% of the number of shares of that class in issue at the time of granting of this general authority, and for each 3% in aggregate of the initial number of that class acquired thereafter;
- acquisitions by the company and its subsidiaries of shares in the share capital of the company may not, in the aggregate, exceed in any one financial year 20% (or 10% where such acquisitions relate to the acquisition by a subsidiary) of the company's issued share capital of any class as at the beginning of the financial year;
- in determining the price at which the company's shares are acquired by the company or its subsidiaries in terms of this general authority, the maximum price at which such shares may be acquired may not be greater than 10% above the weighted average of the market price at which such shares are traded on the JSE, as determined over the five business days immediately preceding the date of the acquisition of such shares by the company or its subsidiaries;

- (i) the company or its subsidiaries are not acquiring shares during a prohibited period as defined in the JSE Listings Requirements unless they have in place a repurchase programme where the dates and quantities of shares to be traded during the relevant period are fixed (not subject to any variation) and has been submitted to the JSE in writing prior to the commencement of the prohibited period. The company shall instruct an independent third party, which makes its investment decisions in relation to the company's securities independently of, and uninfluenced by, the company, prior to the commencement of the prohibited period to execute the repurchase programme submitted to the JSE; and
- (j) any acquisitions are made subject to any Exchange Control approval required at that point in time."

Explanatory note:

The reason for this special resolution is to grant the company a general authority in terms of the Companies Act for the acquisition by the company or any of its subsidiaries of shares issued by the company, which authority shall be valid until the earlier of the next annual general meeting of the company or the variation or revocation of such general authority by special resolution by any subsequent general meeting of the company, provided that the general authority shall not extend beyond fifteen months from the date of this AGM. The effect of the passing of this special resolution will be to authorise the company or any of its subsidiaries to acquire shares issued by the company. If relevant in the circumstances, compliance with section 48(8)(b) of the Companies Act will be required if the company is to acquire more than 5% of its shares.

The directors are of the opinion that it would be in the best interests of the company to extend the current authority for the repurchase of shares by the company or its subsidiaries, allowing the company or any of its subsidiaries to be in a position to repurchase or purchase, as the case may be, the shares issued by the company through the order book of the JSE, should the market conditions and price, as well as the financial position of the company, justify such action, as determined by the directors.

Repurchases or purchases, as the case may be, will only be made after careful consideration, where the directors consider that such repurchase or purchase, as the case may be, will be in the best interests of the company and its shareholders.

The minimum percentage of votes required for this resolution to be adopted is 75% of the votes cast on the resolution.

STATEMENT BY THE BOARD OF DIRECTORS OF THE COMPANY REGARDING SPECIAL RESOLUTION NUMBER 3

Pursuant to and in terms of the JSE Listings Requirements, the board of directors of the company hereby states that:

- (a) the intention of the directors of the company is to utilise the general authority to acquire shares in the company if at some future date the cash resources of the company are in excess of its requirements and/or there are other good grounds for doing so. In this regard the directors will take account of, inter alia, an appropriate capitalisation structure for the company, the long-term cash needs of the company, and the interests of the company;
- (b) in determining the method by which the company intends to repurchase its shares, the maximum number of shares to be acquired and the date on which such acquisition will take place, the directors of the company will only make the acquisition if at the time of the acquisition they are of the opinion that:
 - the company and the group will be able to pay their debts as they become due in the ordinary course of business for the next twelve months after the date of the general repurchase;
 - the assets of the company and the group, fairly valued in accordance with International Financial Reporting Standards and recognised and measured in accordance with the accounting policies used in the latest audited financial statements, will be in excess of the liabilities of the company and the group for the next twelve months after the date of the general repurchase;
 - the issued share capital and reserves of the company and the group will be adequate for ordinary business purposes for the next twelve months after the date of the general repurchase; and
 - the working capital available to the company and the group will be sufficient for ordinary business purposes for the next twelve months after the date of the general repurchase.

GENERAL INSTRUCTIONS AND INFORMATION

All shareholders are encouraged to attend, speak and vote at the AGM. Voting will be conducted on a poll and every shareholder present in person, by proxy or represented shall have one vote for every share held.

If you hold certificated shares (i.e. have not dematerialised your shares in the company) or are registered as an own name dematerialised shareholder (i.e. have specifically instructed your CSDP to hold your shares in your own name on the company's sub-register), then:

- you may attend and vote at the AGM; alternatively
- you may appoint a proxy (who need not also be a shareholder of the company) to represent you at the AGM by completing the attached form of proxy and, for administrative purposes, you are requested to return it to the office of the company's transfer secretaries not less than 24 hours before the time appointed for the holding of the AGM (excluding Saturdays, Sundays and public holidays). Any form of proxy not so lodged beforehand may be delivered to the transfer secretaries at proxy@computershare.co.za at any time before the AGM commences. Please note that your proxy may delegate his/her authority to act on your behalf to another person, subject to the restrictions set out in the attached form of proxy as stipulated in section 58(3)(b) of the Companies Act. Any form of proxy must be so delivered before your proxy may exercise any of your rights as a shareholder at the AGM.

Please note that if you are the owner of dematerialised shares (i.e. have replaced the paper share certificates representing the shares with electronic records of ownership under the JSE's electronic settlement system, Strate Limited ("Strate"), held through a CSDP or broker) and are not registered as an "own name" dematerialised shareholder, you are not registered as a shareholder of the company, but appear on the sub-register of the company held by your CSDP. Accordingly, in these circumstances subject to the mandate between yourself and your CSDP or broker, as the case may be:

- if you wish to attend the AGM you must contact your CSDP or broker, as the case may be, and obtain the relevant letter of representation from them; alternatively

- if you are unable to attend the AGM but wish to be represented at the meeting, you must contact your CSDP or broker, as the case may be, and furnish them with your voting instructions in respect of the AGM and/or request them to appoint a proxy. You must then not complete the attached form of proxy. The instructions must be provided in accordance with the mandate between yourself and your CSDP or broker, as the case may be, within the time period required by them.

CSDPs, brokers or their nominees, as the case may be, recorded in the company's sub-register as holders of dematerialised shares held on behalf of an investor/beneficial owner in terms of Strate should, when authorised in terms of their mandate or instructed to do so by the owner on behalf of whom they hold dematerialised shares in the company, vote by either appointing a duly authorised representative to attend and vote at the AGM or by completing the attached form of proxy in accordance with the instructions thereon and submitting it, for administrative purposes, to the office of the company's transfer secretaries at proxy@computershare.co.za by no later than 10:00 on Monday, 16 May 2022, being 24 hours before the time appointed for the holding of the AGM (excluding Saturdays, Sundays and public holidays). Any form of proxy not so lodged beforehand may be submitted to the transfer secretaries at proxy@computershare.co.za at any time before the AGM commences.

Shareholders of the company, other than natural persons, that wish to participate in the AGM, may authorise any person to act as their representative at the annual general meeting.

Section 63(1) of the Companies Act requires that a person wishing to participate in the AGM (including any representative or proxy) must provide satisfactory identification (such as valid identity documents, driver's licences or passports) before they may attend or participate at such meeting.

Guests wishing to attend the AGM via the electronic facility are required to contact the transfer secretaries at proxy@computershare.co.za as soon as possible to obtain log in details.

Participants will be liable for their own network charges and it will not be for the expense of the company or Computershare. Neither the company or Computershare can be held accountable in the case of loss of network connectivity or any other network failure which would prevent shareholders from voting or participating in the AGM.
